

The Big Step Forward

What to do:

1. Download and print.
2. Colour it in. You could use our colours; purple, pink, blue and yellow, but be as creative as you want.
3. Cut it out (*be safe and ask an adult to help or supervise you when using scissors*).
4. Take it with you when you walk on 25th July.
5. Ask someone to take a photo of you with your artwork.
6. Share your photo online using **#VirtualBigStep** and remind your friends to donate, too!

Take a step. Take a moment. Take a stand.
