

On Saturday 17th July 2021 I'm taking steps to transform the future for everyone affected by pancreatic cancer.

Please help me reach my fundraising goal!

**£15**

Could fund a **30 minute call** on our Support Line between a nurse and someone in need.

**£29**

Could help develop a simple test for pancreatic cancer by 2024 by paying for an **hour of research**.

**£43**

Could fund half a day of training for a PhD student on our **Future Leaders Academy**.

**£183**

Could fund a **day of research** for one of our Research Innovation Fund projects.

Pancreatic  
Cancer  
UK

The **Big** Step  
Forward

Take a step. Take a moment. Take a stand.
